Choosing between World's Best Cat Litter™ formulas is simple. All our products clump fast, scoop easy, last long and help eliminate that dreaded cat litter smell. And all our scoopable cat litter products are 100% natural, safe, flushable and available in a variety of sizes.

Ultimately, the best cat litters for your home are the litters your cat uses. Cats love the soft texture in all World's Best Cat Litter™ formulas. And because they'll scratch and cover, our litter provides maximum cat litter odor control.
